## ARTISTIC SENSIBILITIES

Looking for handcrafted Kashmiri carpets and artefacts? Meraas, which is a brand focused on preserving the 600-year-old heritage of Kashmiri and Persian crafts, recently launched its store at MG Road, Gurugram. Featuring silk carpets, rugs, walnut-wood furniture, décor accessories and papier-mâché products, among others, Meraas is a treasure trove for those who love exquisite craftsmanship. **Price on request, [meraascrafts.com](http://meraascrafts.com)**

## NEW IN TOWN DETAILS THAT MATTER

The brainchild of interior designer duo Nilu and Gobind Kapur, luxury label Maison du Luxe's Regal Collection, featuring accent chairs, beds, dining tables and sofas, keeps in mind design details alongside focusing on the comfort of the furniture. Their ergonomic range has been crafted using a combination of wood, steel, leather and upholstery fabrics. A must-have for your space. **Price on request, [maisonduluxe.in](http://maisonduluxe.in)**

## ARTISTIC TALES

Hamsini, a newly-launched brand, specialises in crafting décor furnishings made from linen. Seeking inspiration from Indian historical tales, the latest collections—Amra and Gond Art—have been created and designed by Hamsini Hariharan, and feature cushions, patchwork bedspreads and table runners, with each product reflecting a tale through its intricate artwork. **Price on request, [hamsini.co.in](http://hamsini.co.in)**

## HANDY HELPERS

Häfele's new range of professional small kitchen counter-top appliances makes cooking effortless. Featuring modern and sturdy design, and fun colours, the collection includes the kitchen machine, the power mixer and the professional blender. **Price on request, [hafele.com](http://hafele.com)**
