New Delhi gets a new Nivasa store

NIVASA HAS OPENED ITS SECOND STANDALONE STORE AT Sultanpur in New Delhi. Spanning a massive area of 12,000 sq ft, the store has been divided into sections like living room, bedroom, bar and more. The idea is to make design accessible and help visualize the various interior and decor concepts for different styles. With the launch of the new store, the brand has also introduced its new collection called Nivasa Contemporary which sees a clever mix of raw textures with sleek finishes, dense metal with delicate glass and leather stitched in contrasting hues.

BoConcept new store in Mumbai

BOCONCEPT, Danish designer and retailer of Scandinavian furniture products and accessories, has opened its second flagship store, in Mumbai. Located at Raghuvanshi Mills in Lower Parel, the store is spread over an area of 3,500 sq ft and is divided into 13 sections, each depicting various spaces, like living room, dining room, bedroom and work spaces of a home. The products are a combination of function and design; a natural fit for

Mumbai homes. To suit both the culturally-diverse tastes and price points in India, the brand also relentlessly focusses products that are innovative and high on utility.

Meraas – a new decor brand enters New Delhi

MERAAS, A LUXURY HANDCRAFTS BRAND THAT CELEBRATES authentic Kashmiri and Persian artefacts, has recently opened its 12,000 sq ft showroom at MG Road in New Delhi. The basement houses some amazing museum pieces, room partitions and papier mache; and the ground floor has beds, dining tables, soft furnishings, wall plates, utility boxes, pashmina shawls, and stoles on display. The first floor displays the best from the carpet world. With a deep-rooted understanding and practical knowledge of artistry passed on from generations, the brand strives to preserve the 600-year-old heritage of Kashmiri crafts and create a stable livelihood for the artisans.

Sedie Design forays into the Indian market

SEDIE DESIGN, AN EXQUISITE E-COMMERCE WEBSITE THAT offers premium home and contract designer furniture exclusively made in Italy, has now forayed into the Indian market. Sedie Design also brings the best European brands in furniture and furnishings to the Indian shore. Products offered ranges offers classic stone and glass furnishings to experimental designs with Italian bull leather and vegetable tannage. Apart from manufacturing its own range of bespoke design furniture, the brand also sells semi-finished items for furniture manufacturers. They also offer complete pre-sales and post-sales support — from taking orders to shipping management (right up to extra items and customizations). Sedie Design delivers to your home or any other specified location.
